OF CHILDREN AND THEIR RIGHT TO
LOVE AND BE LOVED BY BOTH
PARENTS WHEN SAFE TO DO
SO.**

**WE OFFER HELP, SUPPORT
AND RESOURCES TO
THOSE IMPACTED BY
PARENTAL
ALIENATION.**

See you in:

What is Parental Alienation?

Parental alienation is when a child is influenced, pressured, or manipulated into rejecting one parent without a justified reason, often as a result of conflict between adults.

Over time, this can damage or completely break a relationship that should be safe, loving, and essential to a child's emotional wellbeing and development.
